

Product Name :
Air Flow and Aerodynamics Trainer

Product Code :
ALTECEDULABC1215

A large, light gray watermark of the ALTEC logo is centered in the main content area of the page.

Description :

Air Flow and Aerodynamics Trainer

Airflow System Base Unit

Multi-Tube Manometer

Bernoulli's Equation

Boundary Layer Investigation

Round Turbulent Jet Investigation

Flow Round a Bend Investigation

Jet Attachment Investigation

Drag Force Investigation

Flow Visualisation Investigation

Principles of Airflow, Friction Losses in Bends/Pipes
