

Product Name :
Compressible Fluid Flow Trainers

Product Code :
ALTECEDULABC1216

A large, light gray watermark of the ALTEC logo is centered in the main content area of the page.

Description :

Compressible Fluid Flow Trainers

Pressure Measurement Bench

Deadweight Tester

Compressible Flow Base unit

Nozzle Performance Test Module

Nozzle Pressure Distribution Module

Experimental Impulse Turbine Module

Experimental Reaction Turbine Module

Fluidisation and Fluid Bed Heat Transfer Module

Vortex Tube Refrigeration Module

Compressible Flow, Pipe Friction Module

Single Stage Compressor Test Unit

Two Stage Compressor Test Unit
